Dear RAHMAN, RASHA RYHAN (205-186-110),

I regret to inform you that based on your Fall 2020 grades, you have not met the conditions of your Subject to Dismissal (STD) contract. As a consequence, you have been dismissed from the University, and the College has placed a hold on your record which will prevent future registration and enrollment.

If you were registered, you have been cancelled out of the current term and your fees refunded, minus the UC SHIP fee.

If you received Financial Aid for Winter 2021, your fees will be returned directly to Financial Aid, but you must repay any money issued to you. Contact Financial Aid at A129J Murphy Hall.

If you are an international student, the College strongly advises you to discuss your academic status with the Dashew Center for International Students and Scholars (106 Bradley International Hall) within two weeks of receiving this letter.

We fully understand that special circumstances may have interfered with your academic performance, and encourage you to discuss your personal situation with a College Counselor. We sincerely hope that you will pursue your education, and we are available to discuss all of your academic options with you.

To schedule an appointment with an academic advisor, you may send a message to College Academic Counseling via Message Center (https://sa.ucla.edu/MessageCenter/OneStop/Home/PostMessage?deptCode=0515) indicating at least 5 times that you are available for appointments. If you have an academic status or summons hold on your record, you may make an appointment via MyUCLA (https://my.ucla.edu/directLink.aspx? featureID=3&org=3&type=15). Once you have scheduled an appointment, information regarding how to access your appointment will be sent to you via email.

Sincerely,

College Academic Counseling https://cac.ucla.edu/

Important Information

Campus Resources

PASS/NO PASS (P/NP) OPTION:

You may not take any course on a P/NP grading basis. Mandatory P/NP courses may be petitioned; consult your academic counseling unit.

COURSELOAD:

We strongly recommend that you take no more than 12-13 units each term until you return to good standing.

Please be aware that a 12 unit program constitutes full time student status required by some programs, such as financial aid, university housing, intercollegiate athletics, ROTC, many insurance plans, and students on an F-1 or J-1 visa.

GPA IN MAJOR:

If you do not have the minimum GPA required in the preparation for the major or a 2.0 GPA in the upper division courses applicable to the major, you must consult with your major department counselor about the feasibility of continuing in the major.

Please consult with the Department Counselor for major information. Visit: www.registrar.ucla.edu/schedule/ dept.aspx

REPEATS:

To improve your GPA, you may repeat only those courses graded C- or below and you may only repeat a class once for credit. If you are within your 16 units of repeat credit, the second grade earned, better or worse, is calculated into your cumulative and term GPA. If you have used the allowed 16 units of repeat credit, you may still repeat a course in which you received a C- or below. However, both grades will be averaged into your cumulative GPA.

WITHDRAWAL FROM THE TERM:

See an Academic Counselor immediately if you need to withdraw while you are Subject to Dismissal.

UC SUMMER SESSION:

You will not clear your STD status or be dismissed as a result of your performance in summer session classes; however you may increase or decrease your balance deficit with grades from UC Summer Session coursework.

FINANCIAL AID:

If you receive financial aid, you may be in in violation of meeting the Satisfactory Academic Progress (SAP) standard. SAP standards monitor unit progress and cumulative grade point average. Failure to maintain these standards can result in suspension of financial aid eligibility.

For more information: www.fao.ucla.edu or see a Financial Aid Counselor at A129 Murphy Hall.

INTERNATIONAL STUDENTS:

If you are an international student (F-1/J-1 Visa status), you are strongly encouraged to discuss your academic status with an F-1 Counselor. Due to visa restrictions, you may be limited in academic options (e.g. withdrawal, courseload < 12 units).

Please see an F-1 Counselor at Dashew Center for International Students and Scholars at 106 Bradley Hall.
